12		x31
13		x34
14		x6
15		x1

NOTICE

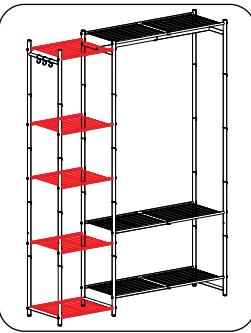

1. Please check the number of parts before installation. If any parts are missing or damaged, please contact us for replacement.
2. If you have any questions or suggestions, please contact us. Service Mail: Homidec@163.com, and we look forward to your feedback.
3. It is recommended to assemble the wardrobe rack on your ground, and then lift it up together after installation. At the beginning of each step, find the parts corresponding to the needs and then assemble them.

Assemble from bottom to top

Step 1

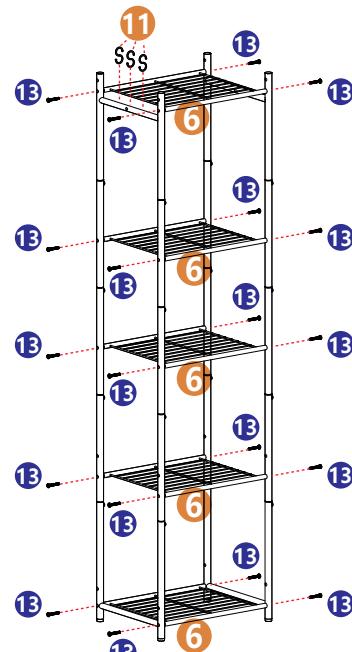

Step 2
